thoroughly in his power. Heavy forest fires are raging be tween East Tawas and Au Sable, Michigan. Considerable damage has resulted to pine and cedar.

William Prather who came in from the Tonto country yesterday, brings news of more Indian outrages. One of the Sixby boys was white criminals, where they can be shot in the breast, and the other who had left the ranch a short time be fore, has not turned up. The former, shots which were fired through his door were explosive builets, and no one in that part of the country used them except Stinson's sheep herder, so the supposition is that he has been murdered. Sixby afterwards took his horse, and wounded as he was, rode fifteen miles to a place of safety. It is also reported on good authority that both of the Meadows' boys are fainly wounded in the groin, one of them having both has been received today, via Fort McDowell, which says: Chaffee arms broken also. The old man is missing, as are also several other has struck the trail of the Indians persons.
